

NOAA Update to the Science Advisory Board

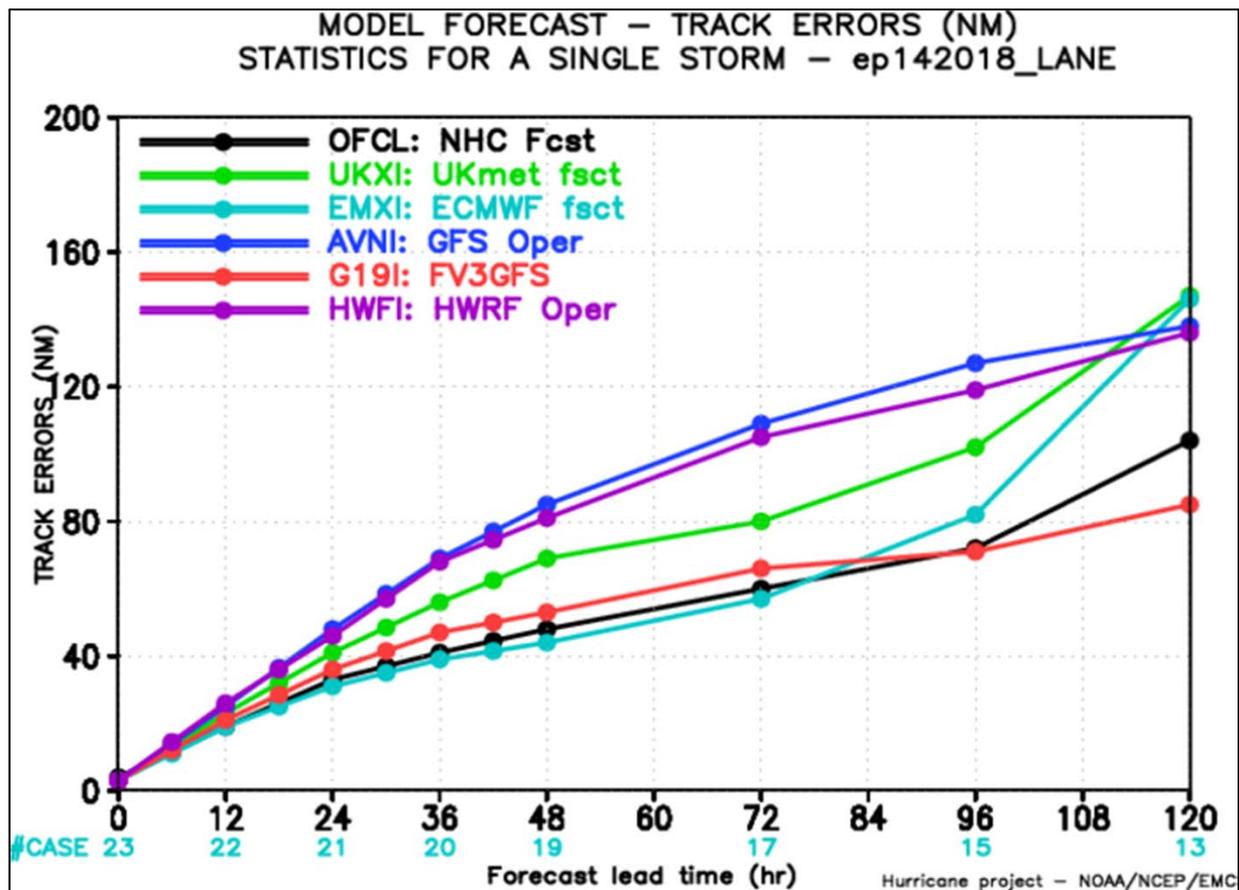

Rear Admiral Tim Gallaudet, PhD, USN Ret.
***Acting Under Secretary of Commerce for Oceans and Atmosphere/
NOAA Administrator***

NOAA's Hurricane Florence forecast was insanely accurate

 **NWS Tallahassee** @NWS_Tallahassee

Here's the majority of our day and night crew at shift briefing! We're working tirelessly day and night to help keep you all safe and will even be a sleeping at the office during the event so we don't put ourselves in danger during the storm. Stay safe everyone!
